

## Board Update

We wanted to share several updates and project priorities with you after our June 27 board meeting. CrossRoads Church/Community Center is nearing completion. When we prayerfully considered this project back in January 2013, we claimed assurance from God that He would provide the funding and the workers to complete the project. Praise God for His faithfulness! As you can see from the pictures below, we have completed the outside of the building. What a difference a coat of paint makes!

Our unanimous decision is to focus on getting the church planted and services underway in 2014. This is the reason God gave us the vision for the project and we are excited to see what God has in store for us in the community. Our plan for the church will be based on ‘declining support’, which means that Crossroads will initially subsidize 100% of the operating costs. Then, over a period of time, our support will decrease as the church members begin assuming a larger portion of the financial operations. Based on consultation with numerous faith-based foundations in Haiti, this concept has provided the most promising results for church-planting.

Continue to pray for God’s guidance as the board searches for a full-time pastor to minister in the church. We also seek wisdom for a potential role with CrossRoads for a young man from Quarryville who feels called to full-time ministry in Haiti. He will be joining our team in July to gain a better understanding of the environment and available CrossRoads ministries. Please continue to pray for guidance and God’s provision as we seek spiritual leaders for the church.

The **Vacation Bible School** team leaves July 23 to spend a week with the community children, leading classes, singing praises and other fun-filled activities, all designed to share the Gospel. We pray that many come to know Christ as their Savior, while all are strengthened and encouraged to live according to God's will. Our August newsletter will review the VBS trip and provide more details on remaining 2014 priorities.

Thanks for your financial support and for keeping CrossRoads in your prayers.
